

Meeting: OGHS Athletic Booster Club

Date: Monday, February 19, 2018

Location: OGHS Media Center

Chairperson: Kip Childress, President of the Boosters

Review of Agenda-Kip Childress

Judy Vaughn provided a detailed treasury report.

Concession stand updates: Charles Crowder provided an update to say that we're moving into spring sports and we'll utilize the football concession stand for soccer & track. We'll need 4 people to run the softball/baseball concession stands. We will not serve pizza. Our signup genius is up and ready for volunteers! In addition, we have quite a bit of winter apparel to sell. We plan to have visors & hats available for baseball/softball.

Stan Smith, Kip Childress, David Thomas, Mr. Scott Dalton and Wynn Conrad (Director of Maintenance/Facilities) met on 2/1 to discuss softball/baseball dugouts:

- 1) Any building on school property that will have people inside is a commercial project, regardless of the scope of construction, enclosed vs. not enclosed, electricity, etc.
- 2) Architectural plans and specifications must be obtained & stamped from an architect that is licensed in NC.
- 3) Plans must also be stamped by a structural engineer, licensed in NC. Typically the architect will get this done as well.
- 4) Plans must be approved by Davidson County Inspector, third party inspector, Wynn Conrad & Davidson County Board of Education.
- 5) DCS Board of Education must approve where funding will come from for the project.
- 6) Must obtain 3 bids for the project from contractors.
- 7) A licensed contractors must be hired that has proof of liability insurance and workers' comp.
- 8) Contractor will pull the permit for construction of the project to begin constructions.

Several board members have reached out to First National Bank as well as BB&T regarding obtaining a loan to cover the cost of our softball/baseball dugouts. Rob Woodall scheduled a meeting with BB&T to discuss details on Friday, 2/23rd. Update will be provided at next month's booster meeting.

Coach Vaughn was present and asked that the booster's forgo their fall golf tournament scheduled for October 6th so the golf team can utilize the date & host it with proceeds going to the men's & women's golf teams. The booster's agreed and instead, will plan a 5K as our fall fundraiser. Charles Crowder will begin looking into the details.

Our winter athletic banquet will be Sunday, February 25th starting at 5:00 in the cafeteria.

Our next meeting will be Monday, March 19th beginning at 6:00 in the media center.
