

Meeting: OGHS Athletic Booster Club

Date: Monday, January 22, 2018

Location: OGHS Media Center

Chairperson: Kip Childress, President of the Boosters; in his absence, Mr. Stan Smith conducted meeting.

Review of Agenda-Mr. Stan Smith

Judy Vaughn provided a detailed treasury report.

Concession stand updates: Bobby Mills reported winter sports concessions have gone well. We now have our spring sports' schedule and there will be a lot of home games. We are in need of volunteers since at times; we will have 2-4 games per night. Communication will be sent out soon via social media since our first home games will begin 2/28/18 against North Davidson.

Our biggest focus currently is baseball & softball dugouts. Flyers were sent out and provided at the meeting for businesses who are interested in a banner sponsorship. Also provided were a list of businesses that have been contacted thus far. Thanks to Mark & Clay Mize, the baseball backstops are almost complete. Weather permitting, they hope to complete softball backstops within the next week or two. Neal Motsinger donated all the brick for the project as well. We are looking for a general contractor to build our dugouts. Any names can be provided to Kip Childress. We estimate a cost of \$12K per dugout. Due to the cost, the board will pursue a bank loan so this project can get underway as soon as possible.

Coach Danielle DiLuzio reported that she will have a player meeting this week as well as a 'field work' day scheduled for Saturday, January 24th. Coach Shawn Loggins reported he has tentatively 50-60 names who are interested in track & field for the spring.

Eddie Longbottom is looking into renting Meadowlands Golf Course for a half-day golf tournament in the spring as well as a whole day golf tournament in the fall in which proceeds will go to the boosters. Once the dates are finalized, we will send via social media. In addition to these two fundraisers, we will pursue, with the help of Charles Crowder, hosting a 5K walk/run.

Our winter athletic banquet will be Sunday, February 25th starting at 5:00 in the cafeteria. Parent volunteers who wish to help decorate must be at the school on Friday, February 23rd from 3-4. Notification of this event will be sent the first week of February via social media as well as through student-athletes. We ask that you RSVP by Friday, 2/19. Thanks to Eddie Longbottom, this event will be sponsored by Tri-County Real Estate.

Our next meeting will be Monday, February 19th beginning at 6:00 in the media center.
