

**Meeting:** OGHS Athletic Booster Club

**Date:** Monday, September 18, 2018

**Location:** OGHS Cafeteria

**Chairperson:** Kip Childress, President of the Boosters

Review of Agenda-Kip Childress

A detailed treasury report was summarized by Judy Vaughn and hand-outs provided to all who were in attendance.

Charles Crowder provided an update on concessions. He did some rearranging in order to create more space. Candy and cold drinks are sold outside of concessions in order to be more accessible and less wait time. Ginny Mabey reported that concession stand signups are going well and we greatly appreciate those who have volunteered.

Apparel sales are going well and we are good on inventory. Webstore sells are not as profitable and decision needs to be made as to if we want to continue with it.

Stan Smith provided an update on the softball & baseball dugouts. Drawings are in the permit office and construction should begin in October. Thanks to the Town of Midway who donated another grant and also to the Town of Wallburg who also donated money from a grant request. These monies will go towards the dugouts' construction.

Our Grizzly 5K and Cub Run is Saturday, September 22<sup>nd</sup>. Special thanks to Coach Shawn Loggins for being the backbone of the event as well as Mr. Eddie Longbottom for his gracious donation to help offset the cost of the t-shirts. We have had roughly 30 people to pre-register but anticipate sign-ups the morning of.

We had eight new Lifetime members as well as six Yearly members' signup the night of our meeting. All members were given ballots in order to vote on Board of Directors. We are excited to announce that the following folks were elected:

Kip Childress  
Bobby Mills  
Ginny Mabey
