Outstanding invoices to be paid -\$4,575.37 wrestling mats, \$900 Football Huddle, Hungry Howies still waiting on total.

Will finish the year in good standing financially.

The softball tarp was delivered and wrestling mats have been installed.

The final discussion was concessions for the balance of the school year. Shana will be helping out with Softball and football concession and boosters will just do candy and drinks. Need to collect her money so we can order her banner for sponsorship. Three board members will be present for soccer games so we should be covered there. At graduation, we will also have 3 board members to sell off the leftover drinks and candy.

Next meeting was not discussed.
