

### **OGHS Booster Meeting Minutes 2/19/24**

**Attendance** – 9 people

**Financial update** – Current Balance -\$53,232.52

Spring sports are getting ready to start up and concession sign-ups have been posted. We need a sign-up for Track, that schedule just got posted. Kelly will create and make a new post. We need new concession signs for baseball (Kelly will create). We need to purchase a new popcorn machine so we are not moving back and forth from each concession stand. We need to get a game plan for next fall, as Hope City Food Truck will no longer be serving at our Football games. We will need to get a game plan for that.

Upcoming financial needs this summer will be field aeration and topdressing for the football field, baseball infield, and softball outfield. The approximate cost will be \$8K-\$9K.

**Next Meeting March 18th**
