

OGHS Booster Meeting Minutes 7/17/2023

Attendance – 6 people

Financial update – Current Balance \$34,773.09

Outstanding payments/ upcoming expenses \$19,423.80

Outstanding payments – Soccer storage shed \$4,000, \$3,000 wrestling uniforms, \$3030 Championship banners, \$791.80 Soccer shed wrap, \$2602 football signage, and about \$6,000 to restock and order new equipment for football concessions. Invoices will be going out this week for banner sponsors.

Jeff opened the meeting with Jessie Arnold presenting merchandise and T-shirt logo ideas. The group discussed logos for T-shirts & sweatshirts with Arnold coming back to the board with revised logo ideas. It was also agreed upon to order stadium seat cushions, that we all felt could be sold for all sports along with more lanyards. Orders must be placed immediately as the first football game is in the next month.

Fall Athletic Program will be taken over by the cheerleading team as their fundraiser. Christen Little will be the main contact for this as Michelle Roberston hands it over. She will still be available to help with the transition.

Football Scoreboard has had additional space added for more sponsorships. SE Logowear, Sanders Tree Solutions & 4th and Elm will be added.

Metal storage building will be delivered for the practice soccer field for the soccer teams. Adding a logo to the building was discussed and everyone agreed that this would be great to add.

This year the 2023-2024 school year the uniform rotation will be Wrestling and Track. Each team will be given \$3,000 to help purchase new uniforms.

The baseball field has undergone new renovations as the field has been pushed back in order to allow a better line of sight for spectators. The field has already been top-dressed and stadium slates will be ordered for the fence.

Conference Championship banners have been ordered. Seven in total were ordered to save on shipping.

Board decided to meet next weekend to clean, organize and access football concessions for the upcoming season. We discussed how to get a credit card machine installed for concessions and merchandise tent. Jonathon and Jeff were going to research further because we agreed we are missing out on all concession sales not having the ability to run credit cards.

Need to get the signup genius ready for Football concessions. Also, need to make sure invoicing has gone out.

Next Meeting August 14th.
