

Meeting: OGHS Athletic Booster Club

Date: Monday, May 20, 2019

Location: OGHS Media Center

Chairperson: Bobby Mills, President of the Boosters

Review of Agenda-Bobby Mills

Judy Vaughn provided a treasury report. Handouts were given to all who were in attendance. Everyone agreed to no longer keep baseball/softball monies separate now that dugout project is complete.

Charter Bus Policy: OGHS Boosters will give \$100 towards a charter bus one (1) time during State playoffs. Team may pick the round they'd like to utilize. The location must be at least 150 miles away.

We will vote on board members and officers at our September 16th, 2019 meeting. Board voted and decided to elect eleven (11) board members increasing our board by 4 since we currently have seven (7).

Board will be setting a date to clean all concession stands. Boosters will create a fall concession stand schedule and distribute out to fall sports. ALL sports will be asked to cover both JV & Varsity football concessions.

We discussed 50/50 raffle. Booster club will do it for this year's Ledford & North Home football games. All other home football games are available if any OGHS sports' teams would like to participate. It will be on a first come, first serve basis. They are responsible for their own supplies. Michelle Seals suggested chuck-a-duck for basketball games. In addition, Bobby Mills would like to do a cornhole tournament as a fall fundraiser. Great suggestions! We will explore these as well as any other suggestions we receive to help us raise funds.

We have tentatively set a date of April 25th, 2020 for our annual spring golf tournament.

We will have OG apparel available for upcoming 'Meet the Grizzlies' and Fresh Orientation.

Outstanding requests:

- 1) 5/20/19: Stan Smith asked the boosters to help pay for football equipment needed for upcoming freshmen. Total amount is roughly \$11,789.00. Boosters agreed to pay \$3500.
- 2) Coach Shawn Loggins presented before the Boosters on 4/16/19, regarding help in purchasing an Automatic Timing System. He is working to host as many track meets going forward & this system would help eliminate the cost and effort of having to seek out an outside company. He's asking the Boosters for \$2500.00 with the XC team fundraising an additional \$2500.00. The

system's total cost is \$5000.00 & is can be fully upgraded. He would like to look at purchasing it next year.

The OGHS Board members only will be meeting on Monday, June 17th at 6:00. Our next Booster Club meeting (open to everyone) will be Monday, July 15th starting at 6:00.
