

OGHS Booster Meeting Minutes 12/18/2023

Attendance – 5

Financial update – Current Balance \$53,208.23

Two outstanding deposits from Basketball / no outstanding invoices.

Meeting was called to order and Jeff announced that Amy Freezor and Jessica Lane have been added to the current bank account. In January, we will move our bank account that has an office in Midway. It will make it much easier for deposits and transactions in the future. Beth is working on transitioning the position over to Amy & Jessica but right now we need to still send invoices to Beth. New bank account information will need to be given to Stan for the Dragonfly account (pay ticket booth workers from this account).

We are looking into purchasing cabinets to store and lock up OG merchandise. Hoping to find one on wheels for mobility for multiple sports events. Also, discussed displaying the OG seat cushions that did not sell for football but hoped would sell for basketball and wrestling even at trying to move at a discounted price. We also discussed ordering a transparent OG car window decal in place of magnet.

Stan requested that we no longer sell peanuts for basketball as it makes a mess in the gym.

Equipment that we discussed purchasing for concessions would be two new popcorn makers along with a bigger fryer for French fries. Fryer will need to be electric as we do not have a gas line in the concession stand.

Next Meeting 1/19/24
