

## FinalForms

### Parent Document Uploads

How do I upload a document?

1. Go to: <https://davidson-nc.finalforms.com>
2. Log in, and go to your My Students page.
3. Click  (Folder) in your student's row.
4. Use the popup box to upload a document.

Uploading documents in FinalForms is a great way to submit physicals to your school. Your school Administration will be able to view the document uploaded to your student and log the appropriate physical dates.
